## Features

---

MiNO WebCall allows provisioned users who do not have a mobile phone to make a MiNO call from a computer. MiNO WebCall has most features available to mobile client. MiNO WebCall allows you to:

- **Make cheap international phone calls from anywhere**
- **Build a contact list [address book] to store your numbers**
- **Create a Call From # list to quickly change the call back number**
- **View all your MiNO call logs in detail**

---

## Getting Started

---

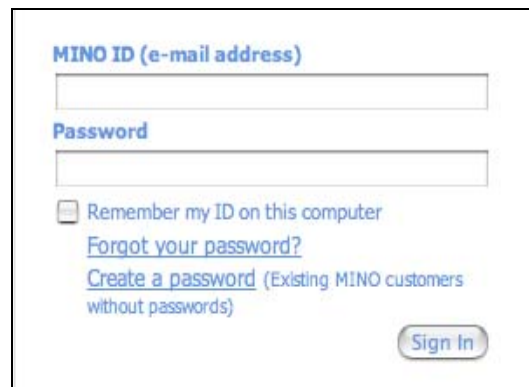

To start using MiNO WebCall you need to be a provisioned user and have access to an Internet connection.

### Register

---

1/ To register, go to <http://www.minocall.com>

Click on [Create a Password](#)

The screenshot shows a registration form with the following elements:

- A label "MiNO ID (e-mail address)" above a text input field.
- A label "Password" above another text input field.
- A checkbox labeled "Remember my ID on this computer".
- A link "Forgot your password?".
- A link "Create a password (Existing MiNO customers without passwords)".
- A "Sign In" button at the bottom right.

- 2/ Fill in the required fields:
- MINO ID (e-mail address)
  - Country
  - Mobile Phone Number

Create a Password

Confirm your Password

Click Submit

The information you enter must be valid and match our records.  
If you cannot create an account please contact your MINO administrator at **408-343-7500** to verify your information and insure that you have been provisioned correctly.

- 3/ A dialog box confirms the creation of your password

Click OK to go back to the log in screen

## Make a MINO WebCall

---

To make a MINO WebCall you have three options:

### **Option 1:**

Option 1 allows you to manually enter the call from and the call to numbers.

- 1/ Select the Country
- 2/ Enter the Call From Number
- 3/ Enter the Call To Number
- 4/ Click CLICK HERE TO CALL

### **Option 2:**

Option 2 allows you to select the call from number from a preexisting saved list.

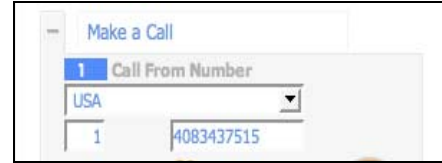

- 1/ Select the Call From Number from your saved list
- 2/ Enter the Call To Number
- 3/ Click CLICK HERE TO CALL

### Option 3:

Option 3 allows you to use a call to number from your contact list.

1/ Enter the Call From Number

2/ Click on the Contact you wish to call

**Clicking on a saved contact will automatically initiate the call**

## Change your Account Password

---

**1/** Click on Edit Password to change your account password

The screenshot shows a 'Profile' section with a minus sign on the left. Below the title, there are two links: 'Add New Call From #' and 'Edit Password'. Underneath, there are two entries with checkboxes: 'mobile phone' with the number '1-4088745330' and 'My Office' with the number '1-4083437515'.

**2/** Enter your Old Password and New Password

Confirm your New Password

Click on Save

The screenshot shows the 'Profile' section with a minus sign on the left. Below the title, there is a link 'Back to profile menu'. Below that are three input fields labeled 'Old Password', 'New Password', and 'Confirm Password'. At the bottom right of the form are two buttons: 'Save' and 'Cancel'. Below the form is a blue bar with the text 'Edit Password...'
